“No one sews a patch of unshrunk cloth on an old garment, for the patch will pull away from the garment, making the tear worse. Neither do people pour new wine into old wineskins. If they do, the skins will burst; the wine will run out and the wineskins will be ruined. No, they pour new wine into new wineskins, and both are preserved.”

**DECCOY**

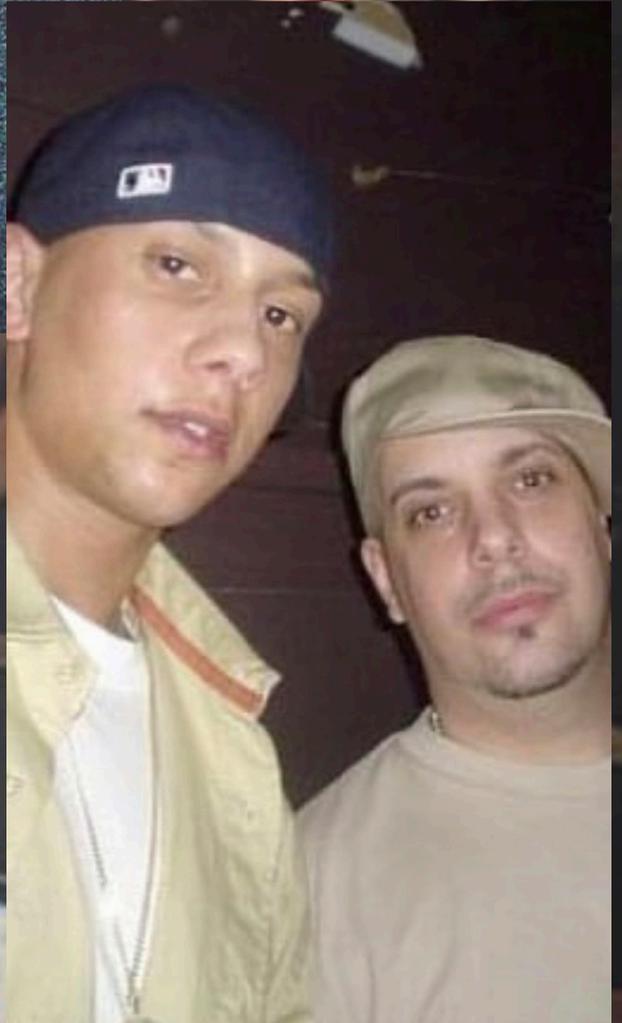

New York native DJ Decoy grew up in a family of DJs. After saving up for his own pair of Technic 1200s, Decoy

dedicated his life to mastering his craft. One look at Decoy scratching records and making music, you can see that his diligence paid off. His butter-smooth transitions

and impeccable skill on the turntables have landed him invitations to perform in NYC, the Hamptons, Miami, Las Vegas, and Australia, as well as spin on some of Long Islands' top radio stations such as Party 105.3 and 101.7 The Beach.

## WHEELING HER ART

Shanee strapped on her skates about 3 years ago. In the beginning, when she first took off her toe stops in her very first class, Shanee fell; a lot, but she never gave up.

Her skill grew along with her love for the art. She started roller dancing, but once she hit the parks it was game on. Joining the Missile Roller Dance performance company around the same time, Shanee started performing

live, in music videos, at catering events, weddings and parties. Dancing has always been her life and combining her new passion with her old one was a match made in heaven that couldn't make her happier.

Once she started dropping in off copings, it is one of her favorite things to do in the parks. Repping Cib Long Island NY. She states, "I just want to go

bigger and bigger at every possible chance! I try to hit the park almost everyday. I can never and will never give up. I have found another love other than performing, hitting up the

skateparks with my CIB crew! Once I put my skates on it's a struggle to pry them off. I love life on wheels!" - @shanneex3 aka Nayhem
